Re: ADM File No. 2010-15  
Proposed Amendment to MCR 6.005

Dear Mr. Davis and Justices of the Supreme Court:

I support the proposed amendment to MCR 6.005. In certain instances, discovery materials (or the absence of same) may play a key role in drafting an appeal. The only burden on trial counsel appears to be retention of files which should not outweigh the defendant's right to a competent defense.
